

# NCWorks Career Pathways One Year Check-In

## *Required Attachments*

**Overview** (*Overview of the proposed NCWorks Certified Career Pathway; should not exceed three pages*)

Overview must include:

- **number of consumers enrolled** in pathway during first year of implementation
- **type of consumer** (e.g., youth, dislocated workers, veterans, etc.) enrolled in pathway during first year of implementation and in what percentages (estimates OK)
- **efforts to attract/recruit consumers** (career awareness efforts)
- **number of small/large employers** that have **actively** participated in pathway implementation and in what ways
- **efforts to attract/recruit additional employers** (existing or potential employers)
- **unexpected successes and challenges** to implementation
- any **modifications to implementation** not addressed in initial certification application

**Eight Criteria** (*Provide 1-3 paragraph summary of each criterion based on first year efforts **and** additional information as outlined below; where applicable, provide illustrations to strengthen explanation*)

### **1. Demand-Driven and Data-Informed Data**

- Provide current data (local and regional only) demonstrating continued need for the pathway

### **2. Employer Engagement**

- Provide demonstration of continued engagement including post-certification meeting notes, agendas, other written communication or other exhibits as applicable

### **3. Collaboration**

- Provide demonstration of efforts to maintain existing community partners and recruit additional partners
- Provide list of active team members including job title and organization (signatures NOT required)

### **4. Career Awareness**

- Address current and future efforts to make consumers aware of career opportunities (within K-12s, community colleges AND career centers)

### **5. Articulation & Coordination**

- Provide demonstration of continued commitment to coordination and reduction of education and training duplication

### **6. Work-Based Learning**

- Address current and future efforts to provide work-based learning opportunities for consumers, including employer commitment

### **7. Multiple Points of Entry & Exit**

- Address current and future efforts to provide on- and off-ramps for consumers along pathway continuum

### **8. Evaluation**

- Provide detailed review of initial evaluation targets. Provide status of progress toward goals and, if necessary, address any modifications of 3-year goals as outlined in initial application
